Indian Children in Pakistani Custody

2000. SHRI SNAJAY DALMIA: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether 'Edhi' a social organisation of Pakistan, has drawn the attention of the Government of India to the pathetic condition of 38 Indian children who were rounded up by Pak Security forces for illegal fishing in Pak waters;

(b) if so, whether 'Edhi' had requested Government to repatriate these children from Pakistan's custody; and

(c) if so, the Government's response thereto?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI I.K. GUJRAL): (a) to (c) On 18th May, 1996 the Pakistani newspaper 'Dawn' carried a report which stated that 34 Indian children were lodged in the Edhi Welfare Centre, Karachi. The report further stated that these children had been arrested by the Pakistani authorities in September 1994.

The matter was immediately taken up with the Government of Pakistan who were requested to provide personal details/ documents of these children. Permission was also sought for officials of the High Commission of India, Islamabad to visit Karachi so as to obtain access to these children to determine their antecedents for taking further action to bring them to India.

Maulana Edhi of the Welfare Centre was also contacted to ascertain the welfare of the children and to determine their background. Maulana Edhi informed our High Commission in writing that formal permission of the Government of Pakistan would be required by his organisation for interacting with our Mission regarding these children.

After a long delay of several months, Government of Pakistan have in late November 1996 provided some details of the children which indicate that these children are from Gujarat and Daman and Diu and may have been in the fishing boats which were apprehended by Pakistani agencies for allegedly fishing in Pakistani waters. Confirmation of their identity is being expedited and the matter will be actively pursued with Pakistan so that the children return to India at the earliest.

Regrettably, Pakistan has not yet allowed our Mission officials to visit these children to ascertain their welfare.
